

## Leechpool Pupil Guidance – September 2020

- Wash your hands regularly – including when you arrive at school, when you return from breaks, when you change rooms and before and after eating.
- 'Catch it, bin it, kill it' using your own tissues.
- If you begin to feel unwell at school, tell an adult immediately.
- Try to stay socially distanced from others where possible (including socially distancing from adults).
- Follow the one-way system through Miss Payne's office, Mrs Davenport's office and by Year 1 and Reception.
- Come to school in your PE kit on the days you have a PE lesson.
- Homework will be completed online.
- Keep all of your stationery in school and don't share these with others.
- Your water bottle, and snacks/lunchbox can be taken into school and back home each day. You do not need a school bag.
