

Leechpool Primary School Health and Safety Policy

Statement of Intent

The governing body acknowledges West Sussex County Council's (WSCC) Corporate Health and Safety Policy, acting as Local Education Authority and employer, and provides the following additional statement of intent to cover all school buildings, activities and undertakings for which it is responsible.

Under the Health and Safety at Work Act 1974, the governing body accepts that it has the responsibility to take all reasonably practicable steps to secure the health and safety of staff, pupils and others visiting and using the school premises.

The governing body believes that the prevention of accidents, injury or loss is essential to the efficient operation of the school and is part of the good education of its pupils. It will be the governors' policy to encourage, where practicable, the co-operation of all users of the establishment by monitoring, review, discussion and consultation to promote and develop measures which ensure health and safety at work.

Chair of Governors

THE ORGANISATION FOR HEALTH AND SAFETY

Health and safety responsibilities

The Governing Body has strategic responsibility for health and safety within all areas of the schools' undertakings and is answerable to the LA for its actions, on behalf of whom it makes decisions. The governing body is responsible for ensuring that advice from competent health and safety advisers is available on health and safety matters in order to comply with regulatory controls.

The Head Teacher has responsibility for the day-to-day operation of health and safety and welfare policies and practices, as delegated by the governing body, within all areas of the school's undertakings. The Head Teacher is responsible for ensuring that advice from competent health and safety advisers is sought on health and safety matters in order to comply with regulatory controls.

Phase Leads and Senior Leadership are responsible for ensuring that safe working conditions are maintained for all pupils, employees, visitors, members of the public and, where applicable, contractors throughout their individual work areas, as delegated by the Head Teacher or governing body and detailed in the organisation section of the policy. Phase Leads and Senior Leadership are responsible for ensuring that advice from competent curriculum and health & safety advisers is sought on health and safety matters in order to comply with regulatory controls.

Employees are responsible for their own health and safety, that of their colleagues and members of the public who may be affected by their work activities.

ARRANGEMENTS FOR HEALTH AND SAFETY

Accident and Incident Reporting

Responsible - Pippa Asprey (Admin), Emma Coomber (Governor)

All accidents and incidents, to staff, visitors and contractors are reported to WSCC using the online accident reporting system. Minor incidents to pupils are recorded locally major injuries and direct visits to hospital are also reported to WSCC using the online system. The School Administrator is responsible for reporting accidents.

The Head teacher will monitor accidents and incidents in order to identify trends and report to the governing body.

Administering medicines

Responsible - Pippa Asprey (Office and Pupil Administrator)

The school's Managing Medicines Policy details the procedures followed by the school and is based on WSCC policy and procedures. The leads for the administration of medicines are the Office Administrators. A copy of the policy is available from the school office.

Asbestos

Responsible – Riley Stirling (Site Manager) - Daniel Clement (Business Administrator)

The school holds an asbestos register and follows the WSCC Code of Practice regarding monitoring and record keeping. All contractors working on the building are made aware of the location of asbestos and sign the register. Staff are made aware of the location of asbestos and the procedures to follow if discovering disturbed asbestos. School Business Administrator is responsible for asbestos management.

Control of Substances Hazardous to Health (COSHH)

Responsible – Riley Stirling (Site Manager) Daniel Clement (Business Administrator)

All hazardous substances stored and used within the school are to be risk assessed and the precautions identified by the risk assessment shall be communicated to staff and implemented. These assessments will be held in the school's COSHH risk assessment file, along with the relevant data sheets and made available to all employees who are required to use these substances in their work.

The Site Manager is the designated person for ensuring that the COSHH risk assessment file is kept up to date and communicated to relevant staff.

Leechpool Primary School Health and Safety Policy

Contractors

Responsible – Riley Stirling (Site Manager), Daniel Clement (Business Administrator)

Maintenance and servicing contractors receive an induction to the school site (including asbestos), its facilities and emergency arrangements. Contractors undertaking large scale building work receive all of above and an inductions pack which includes relevant school policies, procedures and risk assessments. The school adheres to WSCC self-managed process and uses only WSCC approved contractors. Contractors are continuously monitored whilst on site. School Business Administrator or the Site Manager is responsible for the management of contractors.

Curriculum Safety

Responsible – Nicola Davenport (Headteacher), Leadership Team

The governors recognise that some curriculum areas represent an increase in risk; these departments hold department specific health and safety policies and arrangements, which are regularly reviewed and communicated to the relevant staff.

Emily Vowels – responsible for Design and Technology

Dan Barden and Eliot Law – responsible for Physical Education

Annett Lloyd Jones / Alice Mcilwraith – responsible for science.

Display Screen Equipment (DSE)

Responsible - Daniel Clement (Business Administrator)

Every DSE user will have a risk assessment completed to make sure they know how to adjust and set up the workstation correctly. It is the responsibility of School Business Manager to ensure assessments are completed by relevant staff. The risk assessment can be carried out by the workstation user through the e-Learning programme and assessment checklist. This is available on Health and Safety A-Z pages of the WSGfL.

DSE user risk assessments will be reviewed periodically by the School Business Manager, at least annually, or if there have been any significant changes to the workstation. A review of the original assessment must be undertaken as soon as practicable by the line manager when an employee complains of musculoskeletal or other health issues that could be attributed to, or aggravated by, working with DSE.

Electricity

Responsible – Riley Stirling (Site Manager), Daniel Clement (Business Administrator)

All portable electrical equipment within the school is to be tested annually and records of these tests will be held at the school.

Private portable electrical equipment must not be brought into the establishment and used without the appropriate checks.

A 5 yearly check of the fixed electrical installation is completed, and records kept.
