Summer term update

Leechpool Primary School

Thank you to the families that gave some feedback on the new information button on the school website **Inclusion page**. We will continue to update it as and when new resources are shared.

Summer Term
May 2023

This term, all staff are beginning to work on the area of transition— including pupils leaving the school, pupils new to the school and also pupils moving classes within the school, so that they are fully supported. Quite often, the children may not be aware of the strategies in place but staff are working behind the scenes!

Reaching Families is a great resource for families with children with special educational needs and disabilities and they currently have lots of free parent workshops.

<https://www.reachingfamilies.org.uk/>

Mabel Hope continues to help a range of pupils in school—she loves seeing pupils when they have worked really hard and she also helps when children are feeling a bit sad or worried.

Emma Payne

One of our pupils recently gave me a piece of paper with an idea for a comment that could be put on our computers in the classroom for both staff and pupils to see.

No matter how old or young you are, you are beautiful on the outside and wonderful on the inside.

HORSHAM COMMUNITY FRIDGE
