## Summer holiday update

We have been made aware of the following new resources for parents to use over the summer holidays if they wish.

There is no expectation that parents need to do this, but some of the mental health and well being activities and websites look quite informative and fun.

We hope you all have a lovely summer holiday and rest and we look forward to seeing you back in September.

## New website for parents to boost child's learning and wellbeing this summer

A brand new site, designed especially for parents, with the support, information and resources you need to help your children enjoy the summer holidays and prepare for the next academic year.

The site features links to programmes, activities, resources and videos to boost children's learning and wellbeing aimed at parents of 0-19 year olds, with extra information for parents of SEND children.

## Fun learning for pupils with Oak this summer

Oak National Academy's newly launched Summer Learning

Support package offers optional lessons, formative tools and creative and active enrichment resources to help prepare pupils for next year. It can all be accessed by pupils with no charges for data, as mobile networks will continue to keep Oak's site data free all summer.

## Dr Alex George's ways to wellbeing

The Government's Youth Mental Health Ambassador, Dr Alex George, presents this series of five films on *First News Education TV* developed with the Department for Education and *Sky Kids*. In the series, dedicated to mental health and wellbeing, Dr Alex teams up with *FYI* presenters, experts and celebrities to investigate simple ways to deal with the pressures of life.

Each episode highlights the importance of being physically and mentally healthy.

The series will air on *Sky Kids* throughout the summer of 2021. The team will investigate just how important a good night's sleep is, how exercise and what you eat can have a massive impact on your mind, and the importance of speaking out when you are feeling down.
