

Mabel Hope News 5

January edition 2022

Dear everyone,

Mabel Hope had a fantastic Christmas and enjoyed opening her presents!

Today it is ONE year ago since she had her first day in school - look at the difference in size! She is enjoying coming along to whole school assemblies now.

She is going through a bit of a cheeky phase at the moment, so I am having to be a bit strict with her. Remember not to call out to her, let her come to you and sniff you, then you can stroke her if you want to.

In the last week, we have found so many different types of balls out on the playground and grass areas and she has broken some of them. PLEASE REMEMBER TO TIDY UP AFTER YOU and if you throw something over a gate, please go and pick it up!

Pupils are welcome to walk Mabel Hope or even take her on your Lenny's Loop, but you do need to walk her with an adult from class and come and walk her at a time when your class teacher says it is ok.

Thank you everyone!

Mabel Hope and Miss Payne.
