

Mabel Hope News

April edition 2023

Dear everyone,

There are some new pictures on the Mabel display wall by the hall - these pictures tell us things that Mabel might do if she is scared, worried or not feeling safe. Have a look at the pictures and if you spot Mabel doing any of those things, stay away from her so she feels safe.

There will be application forms for any Year 5 pupils that want to take responsibility for Mabel and walk her at playtimes. If successful in your application, you will be trained by the current Year 6 trainers and have some practice sessions.

Now it is warmer and we are leaving doors open, Mabel is allowed to wander around the school. If you happen to see her do a poo, please come and get a yellow flag from the drawer outside Miss Payne's office and put the flag next to the poo. An adult will then clear it up.

Thank you.

Mabel Hope and Miss Payne.

REMINDER - when you see Mabel around school, remember to not call her name out. Just let her come over to you if she wants. Imagine having over 30 people calling your name at once, it would be very annoying!
