General updates

Dear Everyone

Welcome to the first edition for this academic year of Leechpool Link. It was fantastic to see all the children and to listen to their many adventures over the summer holidays. We are all looking forward to the new school year and know that we will have many challenges at Leechpool to ensure that we continue to work towards ensuring a return to normal school practices.

All updated information in relation to COVID is available on our website.

We are pleased to welcome back all our existing families and staff, as well as welcoming all our new families both in Foundation Stage and throughout the school. This year is a special year for the school as we celebrate 50 years of opening. To celebrate this important landmark we will be organising a number of celebrations throughout the school year.

Staff News

This term we welcome three new members of staff to our school team. Miss Brand, our new Year 5 teacher and in Early Years Foundation Stage Miss Smith and Mrs Khan have joined the learning support team.

Improvements over the summer holidays

During the summer holidays, a number of upgrades were made to the school building. These were:

- **Decoration of Year 2 and EYF classrooms and other key areas around the school.**
- **Replacement of flooring in Kangaroo Class.**
- **Installation of our new ceiling in Key Stage 1 corridor area.**
- **Electrical Compliance Test throughout the school and PAT testing.**
- **Replacement of all water pipes throughout the school and installation of hot water to all classrooms.**
- **Installation of a new security gate to the school allotment.**

A very big thank you to Mr Anderson (Maintenance Manager) and Mrs Wellcome (School Business Manager), for their co-ordination and completion of all the building works during the summer break.

Special Dates of Interest:

Interest:

- **Meet the Teacher sessions in school 15 Sept**
- **On-line After School Teacher Led Clubs sign up 20-24 Sept**
- **Harvest Assembly Food Donations W/B 27 Sept**
- **Book Fortnight-in class activities**

See the Diary Page for further dates for this term on the school website.

Attendance Achievements

This aspect of the school's recording was relaxed in the Summer and Spring terms of 20-21 due to the lockdown. This will be reviewed by the office and children with good attendance during the last academic year will be acknowledged. Going forward the position is that all children should attend school if they are able to. We will be addressing all non attendance with families on a case by case basis in line with Government advice.

Contact Details

Please let the School Office know of any changes to contact details, particularly phone numbers and e-mails as this enables us to contact you quickly if your child is ill or has an accident at school.

Over the coming weeks, the school will be sending out a data sheet for all families to update. We would appreciate it if families could do this as soon as they are received. This will be important for the families of Year 6 in preparation for Secondary Transfer.

End of Day Arrangements

All children in Years R, 1 and 2 are collected from the infant playground at the agreed staggered times. (See communication on 3rd September) The class teachers will dismiss the children out from their classes to you at the end of the day. All families are encouraged to carry this out as quickly as possible to ensure that we do not have queues forming.

We would also like to ask that all families follow the school policy of not allowing children on the climbing frames at the end of the day as they are not supervised by school staff and they are not large enough for all children of the school to be on the equipment at one time!!

Year 5 and 6 children are encouraged to make their own way out of school at the end of the school day at 3.00 p.m.

Years 3 and 4 will be brought to the Junior playground by the class teachers during staggered times.

Meet the Teacher Sessions in School

Meet the Teacher sessions have been arranged for Years R-6 on Wednesday 15 September at 3.15pm – 3.45 p.m. or 6.00 – 6.30 p.m. Infant presentations will start at 3.15 and 6.00 p.m. and KS 2 presentations at 3.30 and 6.15 p.m. Presentations will last no more than 10 minutes.

The meeting is designed for you to personally meet your child's teacher and to find out about routines, homework and other curriculum related information. If you require an individual meeting with your child's class teacher could you do this by contacting the School Office. **We hope to see a family member for every child. Please try to attend your child's meeting; it really helps to develop good relationships. Meetings will be held in your child's allocated classroom.**

School Website

The school website has been updated over the holidays so please take a look [here](#). The site is a helpful place to find useful information about policies, the curriculum and forthcoming events. It will be updated frequently with regard to COVID 19.

Reminders

Sign-up for Teacher Led After School Clubs

Sign-up for the Teacher led After School Clubs will be on the school website between 20- 24 September 2021.

Information from other after School Clubs; Tri-golf, Chelsea Football, KICKS Dance will be sent out separately as and when they resume following the review of risk assessments in line with Government requirements.

Pupils' Mobile Phones

Mobile phones should not be brought to school unless the families have identified this as essential. Parents of children in Years 5 and 6 should send in a note stating that they give permission for their child to bring a phone into school. Phones must be named and handed to their Class Teacher at the start of the day. Pupils are not allowed to keep or use phones during the school day or on the school site. This policy is consistently being reviewed and we will be updating you of any changes as they occur.

PE

PE is a compulsory part of the National Curriculum and all children will need to bring their PE kit to school each Monday for PE days. Information regarding this was shared last term.

Painting Shirts

If possible, please provide your child with an old shirt (named) to wear over their uniform, when taking part in painting and other messy activities. If your child does get paint on their uniform the best way to deal with it is to soak the item of clothing in cold water before washing it. This allows the water-based paint that we use to lift out and not be set by any detergent or agents in washing powders.

Holidays

We would like to remind you that **family holidays will not be authorised**. This is in line with Government legislation. Further information about this is on the school website.

If you have any questions, please do not hesitate to contact the School Office and we will be more than happy to help. Wishing everyone a great start to the new school year.

Best wishes

Nicola Davenport

Headteacher
